

Flying Club of Kansas City Membership Information

The Flying Club of Kansas City offers two types of Memberships: Individual and Family. Family memberships allow immediate family members, living in the same residence as the primary Member, use of the Club aircraft and other assets. Individual memberships can be upgraded to family memberships at any time by paying the difference in applicable Membership fees, as in effect at the time of upgrade.

Membership Fee:

For an individual Membership, an initial Membership Fee of \$1,000 must be submitted with this application. For a family membership, an initial Membership Fee of \$1,500 must be submitted. UPON ACCEPTANCE OF YOUR APPLICATION BY THE BOARD OF DIRECTORS, THESE FEES ARE NOT REFUNDABLE.

Monthly Dues:

Members are obligated to pay certain Monthly Dues, which cover the Club's fixed expenses, including capital costs, insurance, hangar and office rent, fixed maintenance expenses, etc. The amount of the Monthly Dues is fixed by the Board of Directors and is adjusted from time-to-time. For information on the current Monthly Dues amount, please contact the Club manager or see the Club website.

Aircraft Rates and Payment Terms:

Aircraft time is billed on a dry basis, based on the Hobbs meter, with the Member responsible for refilling the airplane based on a fixed number of gallons per hour (or paying the Club for the applicable number of gallons at the current Club fuel rate).

Resignation of Membership:

Upon written request and 30 days notice to the Club Manager, the Board of Directors will accept any request for resignation of Membership. Additionally, the Board of Directors may terminate the membership of any member who, in the Board of Directors sole opinion, operates any Club aircraft in a careless, reckless or unsafe manner; who fails pay his or her bills in a timely manner; or who fails to meaningfully participate as a Member of the club.
